Re: Sites Connected with Steve Martell
(Your Reference: 5HE-12)
Inland Container Corporation

Dear Ms. Swales:

Pursuant to your suggestion in our telephone conversation of yesterday, I am writing to confirm that Inland Container Corporation has not been designated as a potentially responsible party ("PRP") with respect to any of the sites connected with Steve Martell. You indicated that both a general and a special PRP notice already have been sent with respect to those sites, and that Inland was not one of the entities designated to receive such a PRP letter. You also said that you would send me a copy of the special PRP notice with the list of companies that were notified attached so as to confirm Inland's non-inclusion among the PRPs.

Thanks very much for your cooperation.

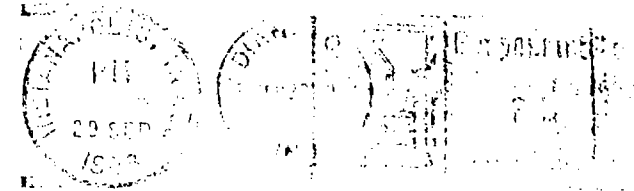

Sincerely,

George M. Plews
